

Palma High School Yearbook 2006

Senior Portraits

June 2005

Dear Palma Parents,

We are already getting ready for the Palma/Notre Dame 2006 Yearbook. The 2006 yearbook will be an all color yearbook for the second year in a row. We are excited about our new look and the color will make the entire book come alive. The cost of the all color book will be \$85.00.

To ensure that proper corrections and proofing can be made, please be sure to respect the deadline dates for each section. I will communicate with you using the monthly newsletter on the deadlines. If you misplace any forms they will be online at the Palma website. (www.palmahs.org).

The first deadline that is extremely important is the Senior Portrait. Each Senior is expected to have a professional portrait taken during the summer. The senior portrait is due no later than wednesday **September 14, 2005**. All Senior Portraits for the boys are to be sent to: Palma High School, 919 Iverson Street, Salinas, CA 93901 to the attention of the Palma Yearbook Adviser, Ms. Kathleen Marsh.

The Palma **senior portrait must be a formal color photograph**. The Portrait can be in the digital format TIF, or it can be submitted in the traditional hard copy. There is no print dimension requirement. We need a head and shoulders shot. We need the student to be in the Palma dress code. Wear a collared shirt, no earrings and hair must be ones natural color. No hat or sideburns below the ears. No beards or jewelry. Photos that do not adhere to the rules will be returned.

I am including a list of studios for you information. Call and make an appointment to ensure that you get your photograph in on time.

Our **2005 Yearbook DVD** of spring sports and spring activities is still on sale for \$15.00. After June 15, 2005 the cost of the DVD is \$20.00.

Sincerely,

Ms. Kathleen Marsh
Yearbook Advisor
